PERFORMANCE IS OUR STRENGTH

Why choose GreenWood Cattle Yards?

- **Great stock flow** - It all starts with a good design. Good designs are critical. Less labour needed. Less time in yards
- **Strong and Durable** - Only strong, heavy duty materials are specified. We are absolutely committed to achieving significant yard strength and our buying power ensures the Greenwood kitset yards are very cost effective.
- **Quiet** – Very quiet to work in = settled stock and increased safety
- **Very cost Effective** – Our buying power and discounts ensure you benefit. Substantially lower cost than steel yards.
- **National Coverage** – through our distribution centres around the country we source materials locally and deliver to any part of NZ, including Great Barrier and Chatham Is.
