# GREENWOOD SHEDS

**GreenWood has sold thousands (literally) of farm sheds NZ-wide from several distribution centres located throughout New Zealand. The location of our distribution centres, economies of scale and our highly efficient & effective supplier network enables us to service all NZ very competitively. Enjoy.**

Custom-design is easy.....

**In several regions of NZ, GreenWood is the country's largest distributor of pole sheds.**

## **Why choose a GreenWood shed?**

- ✓ **Extra Wall Framing**
- ✓ **“Bird-proof” roof framing**
- ✓ **Heavily braced**
- ✓ **Building Consent & compliance experts**
- ✓ **Very good prices – and that’s a promise**

## **Our Commitment to You:**

Since 2004, our main objective is to offer farmers, business owners, lifestyle block owners and others very strong and very durable buildings - at every-day low prices – to all corners of New Zealand. It is as simple as that.

If you choose the GreenWood option we promise we will all be doing our best to make sure your project goes well in every way: selling sheds to people every day is a privilege and we will be treating every step of your project accordingly.

Be assured we are absolutely committed to providing structural assurance with each and every building we design and supply. We invite you to choose a GreenWood shed with confidence.

**From the team at GreenWood**

# GREENWOOD
